SAKAE®
SUSHI

荣寿司

寿司と言ったら、栄寿司

栄寿司は創業者の「世界においしく、健康的な料理を優れた価格で提供したいという夢」から始まりました。ここで少し、栄寿司の裏話をさせてください。「Sakae」は「さかえ」と発音し、日本語では繁栄を意味します。そして寿司と供されることも多い日本の伝統的なアルコール「酒」のようにも聞こえます。　当社のかわいいカエルのロゴはこの繁栄をよく表しています。フレンドリーで温和なキャラクターは優れたカスタマーサービスを表し、困難や変革を乗り越え、常に前に向かって跳躍する備えがあります。それもこれも、当社のレストランで、お客様においしいものを提供し、素晴らしい体験をしていただくためです。　カエルの下半身には、当社の豊かなアジアの伝統が表されています。中国の金の器にご飯が盛られた様子を見立てています。カエルが持っている、中国語の「栄」は拡大を伴う繁栄を表し、頭とおなかは「幸運」を意味する数字の8を表します。一生懸命働くことと、アジア人の代名詞とも言える「創意工夫」を通して、当社はマーケットリーダーとしてのプライドを持って、お客様により良いサービスを提供する努力を惜しみません。　お客様と共に、栄寿司はこれからもヘルシーな日本食への愛を繁栄させ、カエルのプリントを常に世界中に広げていきます！

Sakae Sushi began from our Founder's dream to offer the world tasty, healthy cuisine at great value. Let us share with you a little story behind Sakae...

"Sakae", pronounced as "Sa-ka-ae" means growth or prosperity in Japanese and sounds like "Sake", the traditional Japanese wine which is associated with Sushi.

Our cute frog logo best illustrates this growth, with its friendly and warm persona representing great customer service, ever ready to leap forward through challenges and innovation, to wow your gastronomical appetites and dazzle your sensory experiences at our restaurants.

Our rich Asian heritage is reflected through the lower body of the frog that is reminiscent of a Chinese golden ingot and a bowl filled with rice. The Chinese character " 荣 ", which the frog carries, means prosperity amidst growth, while the frog's head and belly symbolise the number 8, an auspicious number that means "Luck". Through hard work, grit and sheer ingenuity synonymous with Asian people, we strive to serve you with the pride of a recognized market leader.

Together with you, Sakae will continue to GROW in our love for healthy Japanese food, leaving frog prints every time and anytime in the world!

Think Sushi, Think Sakae.
